

HENLEY ROWING CLUB

Photography Consent – Junior

W/J17-18

We sometimes take photographs and videos of the club's rowers. We use these to help the rowers develop their rowing skills and to give people information about club activities.

Club photography usually takes place at regattas or heads races and training sessions. Filming usually takes place during training, during which the video analysis of technique is proven to be invaluable.

We would like your consent to take photographs and videos of you and use them in the ways described below.

If you're not happy for us to do this, we will accommodate your preferences.

Please tick the relevant boxes below, sign and return this form to welfare@henleyrowingclub.org. You may withdraw your consent at any time. If you have any other questions, please get in touch.

Please note: others may take photographs or film you at events and the images may be uploaded onto social media; the Club cannot be held responsible for these actions.
