

To mark Remembrance Sunday and the 100th anniversary of the end of World War One, British Rowing is encouraging rowing clubs to take part in Blades of Remembrance

At Henley Rowing Club we will be marking the moment of silence at 11am on Sunday, 11 November by standing in front of our club and displaying club blades as a mark of respect for club members who have lost their lives to war and to say Thank You to all those who have served, sacrificed and changed the world.

All boats are requested to be off the water by 10.30 am. No boating please between 10.30 and 11.15am.

Many thanks for your co-operation.
